Our Business Is All About Promoting Your Business!

The Seguin Hispanic Chamber regularly features some of its business members in our bi-monthly electronic newsletter. The Newsletter is e-blasted throughout Seguin and Guadalupe County and the contact list includes a cross section of businesses leaders in the community, members, non-members and friends who support the work of our chamber. To have your business featured in one of our newsletters, please tell us a little about you and your business. Use the following questions as a guide, but feel free to expand upon this form. Return it to the Hispanic Chamber with your application and soon your business will be featured.

What type of business do you have? What is the name of your business?

Why did you go into this particular business? (passed down?, your own start-up venture? always dreamed about it when you were young? fell into it accidentally? Etc.)

What services or products do you offer your customers?

What do you think is most important for the public to know about your business principles?

What are your future goals for your business?

Hours of Business?
